

Thank you so much for your interest in one of our currently enrolled Prison Program students. A small background on our program is the dogs stay in the prison for 12 weeks. They are each assigned to two handlers and reside in a dorm style setting with five other dogs. The dogs are taught basic commands which include, sit, down, stay, re-call and place as well as leash skills and how to meet a friendly stranger. Because of the amount of time spent training each dog as well as the time spent evaluating each dogs unique personality, we do require an adoption application.
